Elective Courses: 40 credits

1. The department offers 20 credits of electives from other departments, including a maximum of 6 credits for elective courses offered by the General Education Center (including a maximum of 4 credits for physical education courses).
2. According to the "Implementation Guidelines for the Information Competency Certification of the Department of Smart Technology Application at Hungkuang University of Technology," only those who meet the requirements are eligible for graduation.
3. Students must complete at least one academic program offered by the university to be eligible for graduation. The credits and grades earned will be included in the total credits and semester grades for each term.
4. National defense education and military training courses are not included in graduation credits.
5. In addition to completing the required graduation credits, students must meet other graduation requirements in accordance with the university regulations to be eligible for graduation.
